

# Gold Standards in **Sanitization**

Sanetize brings you top on the line and the most advanced COVID-19 Virucidal Sanitization and Disinfection services.

**SANETIZE**  
Eco Friendly Solutions

# FDA approved

## Eco friendly and Safe for Human skin and Pets.

Unlike Sodium Hypochlorite we use **Silver Hydrogen Peroxide** which is odourless **surface friendly and Corrosion free**. Which can be used on any surface including furniture.

Effective multi purpose disinfectant because of its potent Virucide, Bactericide, and Fungicide abilities.

100% Decomposable disinfectant that disovles into Oxygen and Hydrogen.

Advanced Ultra Low Volume Cold Fogging Machines with precise target on Harmfull Viruses and Bacteria.

We deploy specialized technicians that are trained to adhere COVID-19 protocols and guidelines.

# You are not Sanitized unless you Sanetize !!

We cater to and provide special packages to Gyms, Restaurants, Coffee shops, Office spaces, Clinics, Warehouses, Factories, Apartments, Villas, Individual houses, Farm houses, Religious centres, Diagnostic centres, Showrooms and Shopping malls
